Fab start to Term 4

We have had a great start to Term 4, with all students settling into their learning with enthusiasm and diligence.

No hat, no play

It is hat season, so please ensure that a hat is packed into school bags everyday and that they are clearly labelled. This is very important as we have already had a few new items make their way into the lost property basket this week. We encourage all students to come to school with labelled hats, jumpers and drink bottles.

COVID cases in Shepparton

You will have heard in the news lately that there has been a COVID-19 outbreak in Shepparton, Victoria. Anyone who has

been to a high risk location at the time and date identified on the NSW Health website or DHHS VIC Gov website should monitor themselves carefully over the next few days. If any symptoms develop, however mild, please get tested immediately.

If you have travelled to any high risk areas in the holidays and find yourself in a situation that requires you to isolate, please let us know and we will work with you and your family to ensure learning continues at home.

Love is in the air

Congratulations to Mr Cook and his new fiancé who became engaged over the school holidays. We also extend our congratulations to Miss Lieschke and her fiancé who were engaged during the last week of Term 3. We are very happy for you all and wish you the very best in your wedding planning!

Time, naturally!

In a combined math and art lesson this week, Quokka students made clocks from natural items found in our school grounds. They revised the basics telling the time and enjoyed learning outside on a beautiful sunny day!

Book Week activities

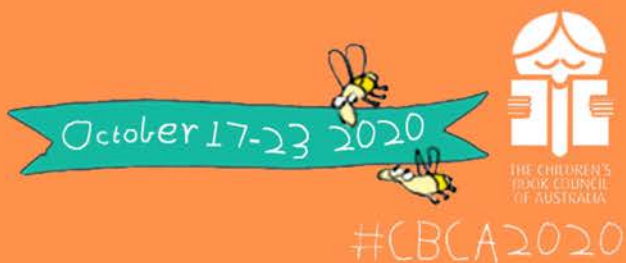

Platypus students were getting ready for Book Week during their library sessions this week. They have been reading the short-listed Book Week books and making some great artworks that incorporate the theme 'Curious Creatures, Wild Minds'.

Possums learn through play

Possum students enjoyed some engaging indigenous-themed games and learnt about Kakadu weather patterns in class on Tuesday!

Kindergarten working hard everyday!

Our Kindergarten students are working hard in class everyday to ensure that the disruptions at the beginning of the year don't stop them from achieving their learning outcomes. Great work guys!

Spring has sprung

Spring has certainly sprung at Corowa public School and our Sunshine Garden is looking fabulous! Our flowers are blooming and our vegetable seedlings are flourishing.

A boat that floats

Kangaroo students put their engineering skills to the test on Thursday when they attempted to build boats from foil. They test the buoyancy of these boats by filling them with coins and dropping balls on them from above.

LITTLE LEARNERS

**BEGINNING ON
FRIDAY 13 NOV**

In order to attend, please ensure enrolment forms have been returned to the front office.

**COROWA HIGH SCHOOL'S

'Will I be a good dad?'

is a common concern amongst new dads and dads-to-be.

The Focus on New Fathers program provides a free text message based service called SMS4dads.

Free tips, tools and links - directly to dad's phone

To help new dads and dads-to-be navigate the changes, before and after the birth of their baby, NSW Health and the University of Newcastle have partnered to deliver SMS4dads.

Once new dads and dads-to-be are registered, they'll receive practical tips, tools and helpful links directly to their phone.

You're eligible:

- if you are 18 years or older
- if your partner is at least 16 weeks (four months) pregnant; or
- from your baby's birth until they are 6 months old.

For more information

visit www.health.nsw.gov.au/focus-on-new-fathers

Just wanted to say thanks for this project. The text messages have been invaluable and I couldn't have known just how much I needed to receive these short and helpful messages.

Registration is free and easy.
