## Happy Easter from CPS!

With our school holidays starting tomorrow, we would like to wish our students, their families and the school community a safe and happy break! Take time off from your learning to relax and refresh.

For more photos, check out our school Facebook page for our virtual Easter hat parade!

# Corowa Connects

*with Mrs Baily*

## Term 1 comes to an end

Term 1 has come to a close and it seems like a lifetime ago that students were playing and learning at school. We are doing our best to keep in contact with families through a number of platforms including video conferencing. This is a great medium that helps us to connect and participate in student progress during these unprecedented times.

## Social distancing continues in Term 2

At this stage, we expect that learning in Term 2 will be delivered as it is now – by distance and online. Please be aware that the school will continue to remain open for families that cannot keep their children at home.

## Returning learning packs

Home learning packs are now due to be returned to the school via the letter boxes along the front fence line. Teachers are looking forward to seeing all the fabulous work you have completed. Our teachers will continue to support students to the best of their ability in Term 2.

## Learning platforms in Term 2

All Corowa Public School students will have access to learning and teacher support through various platforms:

Google classroom:

- Platypus
- Bilby
- Kangaroo
- Quokka
- Bandicoot
- Echidna

Class Dojo:

- Koala
- Wallaby
- Possum

Seesaw:

- Sugar Glider

We do apologise to families that have children across a number of platforms.

Printed learning packs will be available on Monday 27 April between 2-3pm and on Tuesday 28 April between 9-10am. Please come and collect from your class table. The information and activities in these packs will also be available via Google Classroom, Dojo and Seesaw.

## You're doing a great job!

I would like to take this opportunity to congratulate and thank our parents and carers for the support you are providing for your children in this difficult time. Please continue to keep in touch with the school and class teachers – we are working on fine tuning this communication as we head into Term 2.

Social isolation has forced us all to learn new things, including me! So keep your eyes peeled for my first online video and keep in mind that I am learning and have yet to master this skill.

Have a fabulous virtual Easter and take time to relax and reflect on the positives we have in our lives.

Happy Easter.

## Easter bunnies in Corowa

Our staff have been on the road again today, but this time they are spreading the Easter spirit! Our students should check their mail boxes this afternoon for an Easter treat!

## Levi practices for future in engineering!

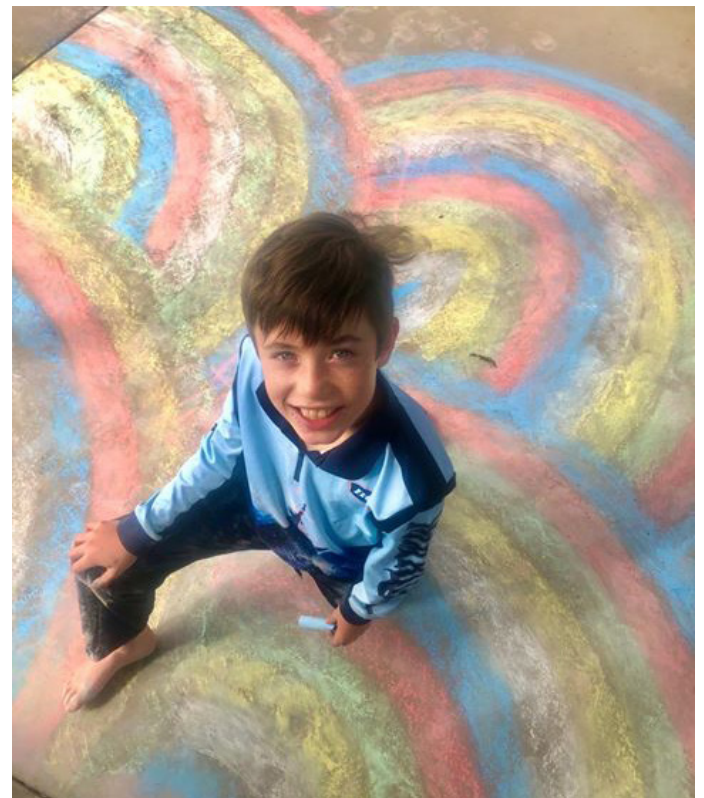

This week Levi has been channelling his inner design guru to create a fantastic model bridge from cardboard, tape and string.

Levi's inspiration for his creation was the Golden Gate Bridge and we think he might have a promising career in engineering ahead!

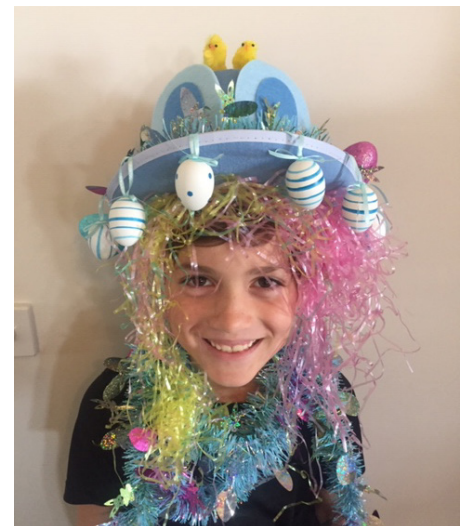

## It's all about variety!

Eli is doing a great job of home learning! He is making time for all kinds of learning and taking time to chill, while incorporating his art studies.

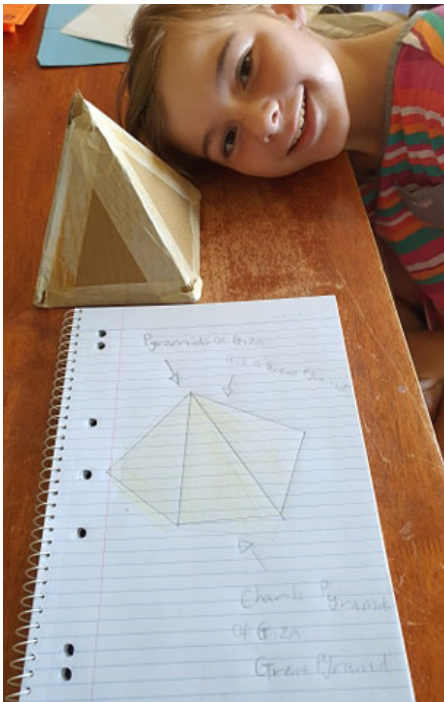

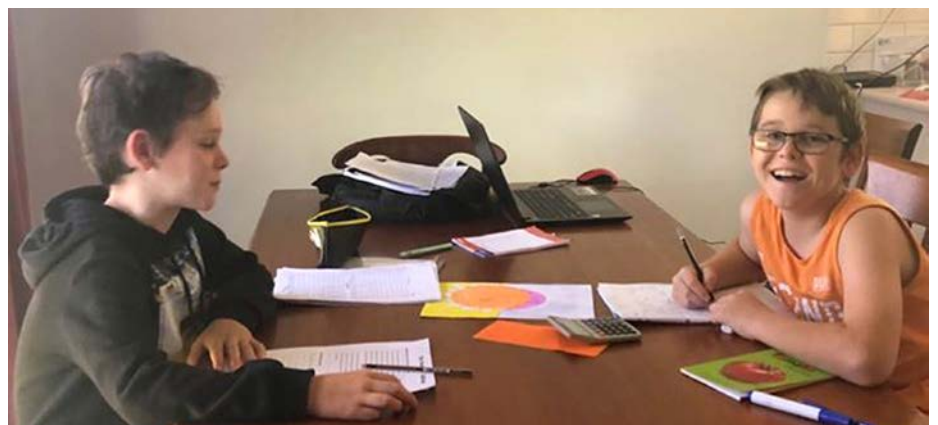

## 2020 Easter hat parade

Keep up the great work everyone!

# Would you like to borrow books from the school library?

**JUST FOLLOW THESE SIMPLE STEPS!**

1

**Mondays & Wednesdays - Drop your books into the big blue tub out the front of the school gates between 8.00am and 9.30am.**

**Make sure they are in a clean, clearly labelled library bag.**

2

**Collect your library bag on the same afternoon between 3.00pm and 3.30pm.**

**Bags will be spread out along the fence line.**

3

**You may write Mrs Brewster a letter requesting specific books and she will do her best. You can borrow up to 10 library books at a time and include as many Premiers Reading Challenge titles as possible.**

4

**After each collection, books will be set aside for five days before returning to circulation, following school library hygiene protocols.**

**Happy reading!**
