Cross country champions!

Our students showed off their speed in the last week of Term 2 at our cross country carnival! It was a great way to end a tricky term and our students had a blast!

Congratulations to Portia, Benji, Rhylee, Alice, Hannah, Tyson, Lachlan and Kayla on crossing the line first and becoming our cross country age champions!

COROWA

Public School

news

Corowa Connects

with Mrs Baily & Willow

Welcome to Term 3!

Although it has been a chilly start with our foggy mornings, everyone is happy to be back and learning in their classrooms.

Border restrictions

We still have a few restrictions carrying on from Term 2 and we appreciate everyone's support as we work with authorities to keep our community safe. Thank you to all our parents who applied for their border permits to ensure students were able to make it to school to continue their learning journey.

Assemblies online

We continue our virtual assemblies this term and the Stage 3 students will be filming classrooms and

playgrounds to keep everyone informed of the happening at Corowa Public School. These assemblies can be accessed each fortnight on our school Facebook page.

Support our pie drive!

I encourage everyone to order from our P&C Pie Drive. What better way to help our school than through our P&C. It's been a tough year for fundraising and now more than ever we need your help. Not to mention, you'll get some yummy pies to warm you during these cold winter days.

We're here to support your children

Once again, thank you for all your support and remember we are only a phone call away if you or your child is in need or you have any queries.

Where in the world?

Platypus and Echidna students had a fantastic time in their Geography sessions on Tuesday! Working in teams, students raced against the clock and their peers to find 26 countries whose names begin with each letter of the alphabet. Letters at the beginning of the alphabet were easy, but many students were left scratching their heads when challenged to find countries that begin with the letter 'x' or 'y'.

Electronic art

Possum students experimented with making sketches on our school iPads on Tuesday!

Strength challenge in STEM

Koala students worked in teams in their STEM session this week to create structures from newspaper and masking tape that were strong enough to hold the weight of a basketball.

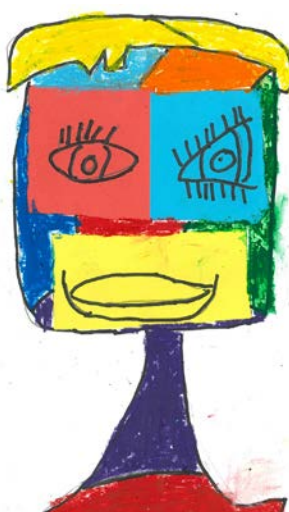

Hotspot volcanoes and island formation

In a messy lesson in the last week of Term 2, Stage 3 students investigated the viscosity of lava and the formation of islands (like the Hawaiian islands) using tomato sauce and tooth paste! They squeezed the liquids through holes punched in cardboard to represent a tectonic plate moving over a vent of hot magma.

Abstract art in Bilby class

Our Bilby students channelled their inner Picasso at the end of Term 2 when they made these fabulous abstract self-portraits! They used crayons and paper cut-outs to create these fantastic pieces.

Stage 3 ace 3D designs

At the end of Term 2, our Stage 3 students used our school laptops to design free standing 3D models. They are doing a fantastic job of utilising this technology and have been very creative in their designs.

Possums practice percussion

Possum students showed off their musical talents during the last week of Term 2 when they practiced their percussion skills.

Students chose their favourite percussion instrument and honed their skills by following on with a musical video.

Sculptures in Stage 3

The final week of Term 3 was celebrated with a range on fun activities in Stage 3! Students enjoyed a laid-back art session at the beginning on the week in which they made frogs from paper mache.

TheirCare tree

Tuesday 28/07

Tree decorating

Wednesday 29/07

Leaf painting

Thursday 30/07

Seasons trees

Friday 31/07

National tree
planting in
schools day

Welcome back to term 3

I hope you and your family are doing well!

Over the holidays we had loads of fun with our space-themed program. We built an astronaut suit using boxes, made our own projectors to take home, built a solar system, participated in the milk galaxy experiment, drew designs onto a cap, woodwork & enjoyed face paint, tattoos & colour hair spray. Plus heaps more!

This week's theme has been Books

We have had book of the week (Birdie and the virus) given to us by Children's health QLD.

Also showing each child's favourite book, redesigning a book cover, DIY bookmark and book themed craft activities.

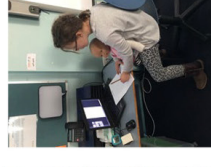

At Corowa TheirCare I have been working with The Men's Shed Yarrowonga over the year and we have had made for us some fantastic timber items Such as car kits, planes & animals. I have also asked them to make us a timber tree to display our birthdays on and more.

Lets all have a fantastic term 3 here at Corowa TheirCare.
